pocket collection

Alpine Gel 2000 Pocket

- Luxurious stretch cover with unique EQ Fibres help maintain the optimum body temperature for quality sleep
- Highgrove's Gel Technology contours and cushions the body for a greater level of comfort, relieving body pressure and optimising blood circulation
- Alpine Gel has a perfect cell structure for optimum breathability and humidity, keeping you cooler for longer to experience a deeper, more restful sleep
 - Manufactured with ecological and environmental principles, this mattress contains sustainable natural raw materials including soybean oil and a refreshing balm that helps cools the skin
- Highgrove's New Generation EcoAdvantedge Pocket Spring System provides total body support across the entire sleep surface to ensure correct spinal alignment and further enhance sleep quality
 - Designed as a no-turn mattress - please regularly rotate 180° to extend mattress life and performance
