

GENOA KITCHEN TABLE BASES

Shown above is the Genoa base with a 90cm top in Bianoc Marani quartz. Top right with a meteor grey base and a Carrara marble top. Bottom right with a white base and Starlight White marble top.

This classic table base design inspired by the Eero Saarinen Tulip table is growing in popularity. It is available in white and dark meteor grey. Sizes from 70cm to 120cm diameters.

SORRENTO KITCHEN TABLE BASES

Shown above is the Sorrento table 80cm x 80cm which extends to 80cm x 115cm.

The Sorrento collection of tables have been designed for use in places where space is at a premium, but gives the possibility to extend when extra seating capacity is required. The top is made of toughened scratch resistant glass with a matt grey finish.
